

Healthwatch Wolverhampton Complaints Procedure

Engaging Communities Staffordshire (ECS) is contracted to deliver Healthwatch Wolverhampton. We always strive to provide the best possible service in everything that we do. However, we recognise that from time to time there may be occasions when users of our services feel that the quality or level of service provided falls short of what they could reasonably expect.

Your continued goodwill is greatly valued by us and we would expect to resolve any day to day difficulties or complaints informally and as quickly as possible. In the first instance we would expect you to raise any complaint directly with the member of staff concerned.

The more formal procedure outlined below is intended for use by any person who use ECS Healthwatch services, where informal communication has not resolved the problem.

Individuals and organisations have the right to express their views about the performance of Healthwatch Wolverhampton and the way in which it conducts its business.

Healthwatch Wolverhampton welcomes feedback and encourages informal resolution. Anyone who is dissatisfied with any aspect of the service received by Healthwatch can make a complaint under the Healthwatch Wolverhampton complaints policy. We will treat both concerns and complaints in the same way.

This Policy does not cover:

- 1) Complaints or concerns about the NHS, which should be dealt with through the NHS complaints procedure.
- 2) Complaints about the provision of social care services which should be dealt with by Wolverhampton City Council's complaint procedure.

Confidentiality: All information regarding the concern/complaint will be kept secure and confidential according to the standards set out in the Healthwatch Wolverhampton Confidentiality Policy.
